COMMERCE KA KING

The image features a collection of royal regalia set against a deep blue, draped fabric background. On the right, a large, ornate crown with a dark red velvet interior and a gold exterior is adorned with numerous diamonds and emeralds. It sits on a red velvet cushion with gold trim and tassels. To the left of the crown is a golden orb, also encrusted with diamonds and emeralds, topped with a cross. In the foreground, two golden scepters with large, clear gemstones are visible. The overall composition is rich and regal.
